

**AGENDA ITEM**  
**July 19, 2016**

Subject: Clay Street Phase II Sewer Project

Department: Administration

The Clay Street Phase II Sewer Project will construct a new sewer main at the 600 – 1000 blocks of S. Clay for better accessibility and alleviate long private service connections. Phase I was completed in 2013.

Right-of-way easements from seventeen property owners are required before the project can enter the bidding stage.

The Planning Commission held their regular meeting on October 13, 2015 and voted unanimously to send a positive recommendation to approve the sewer main location.

**BILL NO. 2016-017**

**ORDINANCE NO. 8104**

**A SPECIAL ORDINANCE OF THE CITY OF NEVADA, MISSOURI, ACCEPTING THE RIGHT-OF-WAY EASEMENTS FOR THE CLAY STREET PHASE II SEWER PROJECT.**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NEVADA, MISSOURI THAT:**

**Section 1.** The easements attached hereto and incorporated herein by reference granting easements for sewer improvements associated with the Clay Street Phase II Sewer Project is hereby accepted.

**Section 2.** The Council finds that the Planning Commission held a public hearing for which notice was duly published and the acceptance of the sewer easements come with a postive recommendation by that body.

**Section 3.** The City Clerk is authorized to have the easements recorded with the Recorder of Deeds, Vernon County, Missouri.

This ordinance shall be in full force and effect after its passage.

**PASSED, APPROVED AND ADOPTED** by the City Council of the City of Nevada, Missouri, this 2nd day of August, 2016.

Owner's Name: NEVADA REGIONAL MEDICAL CENTER  
Easement No. CS2-19

**RIGHT-OF-WAY EASEMENT**  
**Sewer – City of Nevada, MO 2014**

**THIS INDENTURE** is made on the 26<sup>th</sup> day of January 2016, by and between THE NEVADA REGIONAL MEDICAL CENTER, a municipally owned independently governed Hospital created by the City of Nevada, in Vernon County, Missouri, whose mailing address is 800 South Ash, Nevada, Missouri, 64772. hereinafter called **GRANTOR** and the City of Nevada, Missouri, of Vernon County, Missouri, a Missouri municipality of the third class organized under a Home Rule Charter, hereafter called **GRANTEE** whose address is City Hall, 110 S. Ash, Nevada, MO 64772,

**WHEREAS, GRANTOR** owns land in or in the vicinity of the City of Nevada, Vernon County, MO, and said land is legally described as follows:

*All of Lots Seven (7) and Eight (8), in Block 15 of Wight's Addition to the City of Nevada, Missouri.*

**AND WHEREAS,** Grantee is in process of upgrading its wastewater collection lines along Clay street to provide service to the Hospital and will further reattach all needed connections to the Hospital facilities, all at no cost to the Hospital;

**NOW THEREFORE,** in consideration of One Dollars and Other Good and Valuable Consideration the receipt and adequacy of which is hereby acknowledged, **GRANTOR** does hereby grant, bargain and sell, convey and confirm unto **GRANTEE** and unto its successors and assigns an easement hereafter described with right of ingress and egress thereto over adjacent land of **GRANTOR**. The easement purpose is restricted to use for sewer transmission lines. The easement is explicitly located by **GRANTOR** on the following easement description in **Exhibit A**.

In order to construct the facility and provide for redressing excavation or correcting construction defects, the City is also granted a temporary construction easement which will expire after construction of the line and termination of the "one year after

completion of construction" warranty provided by the construction contract. The temporary easement is described in **Exhibit A**.

The purpose of the permanent and temporary easements is to permit the city to construct, operate, inspect, maintain, repair, rebuild, replace, remove and patrol a sewer line and essential appurtenances, and reattach service connections customary and necessary in connection therewith, subject to the terms and restrictions set forth in this instrument. More specifically:

1. The purpose of the permanent easement will be for the new transmission line.
2. The temporary easement will permit the city to work within the permanent easement and to rebuild and connect at city expense such portions of the private service connections as the city concludes appear to be deteriorating, with right of ingress and egress thereto over adjacent land of Grantor for said purpose and for cleanup, regrading and seeding the surface to return it to original condition as nearly as reasonably feasible.

This easement is restricted to use for wastewater transmission lines only.

**IN WITNESS WHEREOF, GRANTOR** have executed this instrument the day and year first above written.

A Tract of Land being part of Lots 7 and 8 in Block 15 of Wight's Addition to the City of Nevada, Vernon County Missouri. Being described more fully as follows:

All of the West 15 feet of lots 7 and 8 in Block 15 of Wight's Addition to the City of Nevada.

#### **TEMP**

A Tract of Land being part of Lots 7 and 8 in Block 15 of Wight's Addition to the City of Nevada, Vernon County Missouri. Being described more fully as follows:

All of the East 15 feet of the West 30 feet of lots 7 and 8 in Block 15 of Wight's Addition to the City of Nevada.

Owners Name: Andrew & Sherri Long  
Address: 908 S Clay  
Easement No. CS2-4

**TEMPORARY EASEMENT**  
**Wastewater – City of Nevada, MO 2016**

**THIS INDENTURE** is made on the 28<sup>th</sup> day of January, 2016, by and between ANDREW LONG and SHERRI LONG husband and wife, of Benton County, Arkansas, whose mailing address is 1221 KENSINGTON DR, CENTERTON, AR 72719 hereinafter called **GRANTOR** and the City of Nevada, Missouri, of Vernon County, Missouri, a Missouri municipality of the third class organized under a Home Rule Charter, hereafter called **GRANTEE** whose address is City Hall, 110 S. Ash, Nevada, MO 64772,

**WHEREAS**, an old collector sewer line runs on the West side of the creek which runs north and south through Spring Street Park (and north to Wight Street) from Wight Street to South Street demanded long private service connections for the residences on Clay street to the East, which are substandard or deteriorating and threaten wastewater spills, and

**WHEREAS**, the city wishes to construct a new sewer collector line on the East side of said Creek and connect the same to the private service connections, all at City cost,

**AND WHEREAS**, **GRANTOR** owns land in the 900 block of South Clay Street with one of the private service connections, which is legally described shown on Exhibit A:

**NOW THEREFORE**, in consideration of Ten Dollars and Other Good and Valuable Consideration the receipt and adequacy of which is hereby acknowledged, **GRANTOR** does hereby grant, bargain and sell, convey and confirm unto **GRANTEE** and unto its successors and assigns:

1. A temporary easement to rebuild and connect at city expense such portions of the private service connection as the city concludes appears to be deteriorating, with right of ingress and egress thereto over adjacent land of **GRANTOR** for said purpose and for cleanup, regrading and seeding the surface to return it to original condition as nearly as reasonably feasible.

The temporary easement will expire and terminate at the end of the contractors warranty period of one year after completion of construction during which the contractor will be required to redress and complete cleanup and seeding. After completion of construction and termination of the temporary easement, the new private service line reverts to the owner and will be maintained by owner. The maintenance of the new sewer (collector) line will at all time be the sole responsibility of the City of Nevada.

The temporary Easement for the repair and replacement of portions of the private service line is restricted to 20 feet on either side of Grantor's private service connection line with access thereto across adjacent property of Grantor.

This instrument permits the **GRANTEE** to use the limited and restricted easement area to construct, operate, inspect, maintain, repair, rebuild, replace, remove and patrol a sewer line and essential appurtenances, customary and necessary in connection therewith, subject to the terms and restrictions set forth in this instrument.

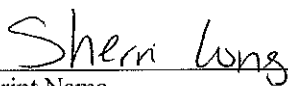

Where access to the easement area from a public roadway is impractical or would visit damage upon the **GRANTOR**, the **GRANTEE** is permitted to reasonably obtain access to the easement area over adjacent lands of the **GRANTOR**.

**IN WITNESS WHEREOF, GRANTORS** have executed this instrument the day and year first above written.

Address: 910 S Clay  
Easement No. CS2-3

**RIGHT-OF-WAY EASEMENT**  
**Wastewater – City of Nevada, MO 2016**

**THIS INDENTURE** is made on the 23 day of January, 2016, by and between KENTON J. KENT and AMY S. KENT, husband and wife, of Vernon County, Missouri, whose mailing address is 910 SOUTH CLAY, NEVADA MO 64772 hereinafter called **GRANTOR** and the City of Nevada, Missouri, of Vernon County, Missouri, a Missouri municipality of the third class organized under a Home Rule Charter, hereafter called **GRANTEE** whose address is City Hall, 110 S. Ash, Nevada, MO 64772,

**WHEREAS**, an old collector sewer line runs on the West side of the creek which runs north and south through Spring Street Park (and north to Wight Street) from Wight Street to South Street demanded long private service connections for the residences on Clay street to the East, which are substandard or deteriorating and threaten wastewater spills, and

**WHEREAS**, the city wishes to construct a new sewer collector line on the East side of said Creek and connect the same to the private service connections, all at City cost,

**AND WHEREAS**, **GRANTOR** owns land in the 900 block of South Clay Street with one of the private service connections, which is legally **described shown on Exhibit A:**

**NOW THEREFORE**, in consideration of Ten Dollars and Other Good and Valuable Consideration the receipt and adequacy of which is hereby acknowledged, **GRANTOR** does hereby grant, bargain and sell, convey and confirm unto **GRANTEE** and unto its successors and assigns:

1. A permanent easement for the new sewer line, **hereafter described in Exhibit B**, and
2. A temporary construction easement for the new sewer line, hereafter described in Exhibit B, and

3. A temporary easement to rebuild and connect at city expense such portions of the private service connection as the city concludes appears to be deteriorating, with right of ingress and egress thereto over adjacent land of **GRANTOR** for said purpose and for cleanup, regrading and seeding the surface to return it to original condition as nearly as reasonably feasible.

The temporary easement will expire and terminate at the end of the contractors warranty period of one year after completion of construction during which the contractor will be required to redress and complete cleanup and seeding. After completion of construction and termination of the temporary easement, the new private service line reverts to the owner and will be maintained by owner. The maintenance of the new sewer (collector) line will at all time be the sole responsibility of the City of Nevada.

Consideration includes the privileges, benefits mutually obtained and the following special provisions:

1. City of Nevada agrees that upon the recording of this instrument the City will pay the landowner the sum of \$500.00 (Five Hundred Dollars) to compensate **GRANTOR**.
2. Perimeter drain will be repaired and put back to original condition if damaged during construction.

The easements' purpose is restricted to use for sewer transmission lines only. The permanent collector line easement is explicitly located by **GRANTOR** on the **easement description stated in Exhibit B**.

The temporary Easement for the repair and replacement of portions of the private service line is restricted to 20 feet on either side of Grantor's private service connection line with access thereto across adjacent property of Grantor without damaging Grantor's improvements, shrubs and/or structures.

This instrument permits the **GRANTEE** to use the limited and restricted easement area to construct, operate, inspect, maintain, repair, rebuild, replace, remove and patrol a sewer line and essential appurtenances, customary and necessary in connection therewith, subject to the terms and restrictions set forth in this instrument.

Where access to the easement area from a public roadway is impractical or would visit damage upon the **GRANTOR**, the **GRANTEE** is permitted to reasonably obtain access to the easement area over adjacent lands of the **GRANTOR**.

Amber Barker  
Notary Public, State of Missouri

## **EXHIBIT A**

LOTS TWO (2) AND SEVEN (7) OF BLOCK ELEVEN (11) OF WIGHT'S ADDITION OF 1888 TO THE CITY OF NEVADA, MISSOURI, AS PER THE RECORDED PLAT THEREOF; ALSO, VACATED ALLEY ADJOINING AND LYING BETWEEN SAID LOTS 2 AND 7, AND ALSO THE EAST ONE-HALF (E 1/2) OF VACATED WEST STREET ADJOINING SAID LOT 7 ON THE WEST.

## **EXHIBIT B**

### **Permanent Sewer Easement:**

A strip of land in Lot 7 of Block 11 in Wight's Addition of 1888 to the City of Nevada, Vernon County, Missouri, being 20.0 feet in width and lying 10.0 feet each side of the following described centerline as constructed:

Commencing at the Northeast corner of Lot 2 of said subdivision; thence N 87°37'50"W along the North line thereof, 250.60 feet to the Point Of Beginning of said centerline; thence S 02°21'27"W along said centerline, 10.42 feet; thence S 87°37'50"E along said centerline, 22.00 feet; thence S 02°24'48"W along said centerline, 69.58 feet to the Point Of Terminus of said centerline on the South line of the parent tract.

Sidelines being lengthened or shortened as required to end on property line.

Containing 0.05 acre (2040 square feet), more or less.

Basis of Bearings: Missouri State Plane Coordinate System, West Zone.

### **Temporary Construction Easement**

A strip of land in Lot 7 of Block 11 in Wight's Addition of 1888 to the City of Nevada, Vernon County, Missouri, being 40.0 feet in width and lying 20.0 feet each side of the following described centerline as constructed:

Commencing at the Northeast corner of Lot 2 of said subdivision; thence N 87°37'50"W along the North line thereof, 250.60 feet to the Point Of Beginning of said centerline; thence S 02°21'27"W along said centerline, 10.42 feet; thence S 87°37'50"E along said centerline, 22.00 feet; thence S 02°24'48"W along said centerline, 69.58 feet to the Point Of Terminus of said centerline on the South line of the parent tract.

Sidelines being lengthened or shortened as required to end on property line.

Containing 0.09 acre (3869 square feet), more or less.

Basis of Bearings: Missouri State Plane Coordinate System, West Zone.

Owners Name: Amber & James Barker  
Address: 808 S Clay  
Easement No.CS2-9

**RIGHT-OF-WAY EASEMENT**  
**Wastewater – City of Nevada, MO 2016**

**THIS INDENTURE** is made on the 7<sup>th</sup> day of January, 2016, by and between AMBER R. BARKER AND JAMES J. BARKER, husband and wife, of Vernon County, Missouri, whose mailing address is 808 SOUTH CLAY, NEVADA MO 64772 hereinafter called **GRANTOR** and the City of Nevada, Missouri, of Vernon County, Missouri, a Missouri municipality of the third class organized under a Home Rule Charter, hereafter called **GRANTEE** whose address is City Hall, 110 S. Ash, Nevada, MO 64772,

**WHEREAS**, an old collector sewer line runs on the West side of the creek which runs north and south through Spring Street Park (and north to Wight Street) from Wight Street to South Street demanded long private service connections for the residences on Clay street to the East, which are substandard or deteriorating and threaten wastewater spills, and

**WHEREAS**, the city wishes to construct a new sewer collector line on the East side of said Creek and connect the same to the private service connections, all at City cost,

**AND WHEREAS**, **GRANTOR** owns land in the 800 block of South Clay Street with one of the private service connections, which is legally **described shown on Exhibit A:**

**NOW THEREFORE**, in consideration of Ten Dollars and Other Good and Valuable Consideration the receipt and adequacy of which is hereby acknowledged, **GRANTOR** does hereby grant, bargain and sell, convey and confirm unto **GRANTEE** and unto its successors and assigns:

1. A permanent easement for the new sewer line, **hereafter described in Exhibit B**,  
and
2. A temporary construction easement for the new sewer line, hereafter described in Exhibit B, and

3. A temporary easement to rebuild and connect at city expense such portions of the private service connection as the city concludes appears to be deteriorating, with right of ingress and egress thereto over adjacent land of **GRANTOR** for said purpose and for cleanup, regrading and seeding the surface to return it to original condition as nearly as reasonably feasible.

The temporary easement will expire and terminate at the end of the contractors warranty period of one year after completion of construction during which the contractor will be required to redress and complete cleanup and seeding. After completion of construction and termination of the temporary easement, the new private service line reverts to the owner and will be maintained by owner. The maintenance of the new sewer (collector) line will at all time be the sole responsibility of the City of Nevada.

The easements' purpose is restricted to use for sewer transmission lines only. The permanent collector line easement is explicitly located by **GRANTOR** on the **easement description stated in Exhibit B.**

The temporary Easement for the repair and replacement of portions of the private service line is restricted to 20 feet on either side of Grantor's private service connection line with access thereto across adjacent property of Grantor without damaging Grantor's improvements, shrubs and/or structures.

This instrument permits the **GRANTEE** to use the limited and restricted easement area to construct, operate, inspect, maintain, repair, rebuild, replace, remove and patrol a sewer line and essential appurtenances, customary and necessary in connection therewith, subject to the terms and restrictions set forth in this instrument.

Where access to the easement area from a public roadway is impractical or would visit damage upon the **GRANTOR**, the **GRANTEE** is permitted to reasonably obtain access to the easement area over adjacent lands of the **GRANTOR**.

**IN WITNESS WHEREOF, GRANTORS** have executed this instrument the day and year first above written.

Owners Name: Debra Ellis  
Address: 810 S Clay  
Easement No.CS2-8

**RIGHT-OF-WAY EASEMENT**  
**Wastewater – City of Nevada, MO 2016**

**THIS INDENTURE** is made on the 15 day of January, 2016, by and between DEBRA L. ELLIS, a single person, of Vernon County, Missouri, whose mailing address is 810 SOUTH CLAY, NEVADA MO 64772 hereinafter called **GRANTOR** and the City of Nevada, Missouri, of Vernon County, Missouri, a Missouri municipality of the third class organized under a Home Rule Charter, hereafter called **GRANTEE** whose address is City Hall, 110 S. Ash, Nevada, MO 64772,

**WHEREAS**, an old collector sewer line runs on the West side of the creek which runs north and south through Spring Street Park (and north to Wight Street) from Wight Street to South Street demanded long private service connections for the residences on Clay street to the East, which are substandard or deteriorating and threaten wastewater spills, and

**WHEREAS**, the city wishes to construct a new sewer collector line on the East side of said Creek and connect the same to the private service connections, all at City cost,

**AND WHEREAS**, **GRANTOR** owns land in the 800 block of south Clay Street with one of the private service connections, which is legally described shown on Exhibit A:

**NOW THEREFORE**, in consideration of Ten Dollars and Other Good and Valuable Consideration the receipt and adequacy of which is hereby acknowledged, **GRANTOR** does hereby grant, bargain and sell, convey and confirm unto **GRANTEE** and unto its successors and assigns:

1. A permanent easement for the new sewer line, hereafter described in Exhibit B, and
2. A temporary construction easement for the new sewer line, hereafter described in Exhibit B, and

3. A temporary easement to rebuild and connect at city expense such portions of the private service connection as the city concludes appears to be deteriorating, with right of ingress and egress thereto over adjacent land of **GRANTOR** for said purpose and for cleanup, regrading and seeding the surface to return it to original condition as nearly as reasonably feasible.

The temporary easement will expire and terminate at the end of the contractors warranty period of one year after completion of construction during which the contractor will be required to redress and complete cleanup and seeding. After completion of construction and termination of the temporary easement, the new private service line reverts to the owner and will be maintained by owner. The maintenance of the new sewer (collector) line will at all time be the sole responsibility of the City of Nevada.

The easements' purpose is restricted to use for sewer transmission lines only. The permanent collector line easement is explicitly located by **GRANTOR** on the **easement description** stated in Exhibit B. The temporary Easement for the repair and replacement of portions of the private service line is restricted to 20 feet on either side of Grantor's private service connection line with access thereto across adjacent property of Grantor without damaging Grantor's improvements, shrubs and/or structures.

This instrument permits the **GRANTEE** to use the limited and restricted easement area to construct, operate, inspect, maintain, repair, rebuild, replace, remove and patrol a sewer line and essential appurtenances, customary and necessary in connection therewith, subject to the terms and restrictions set forth in this instrument.

Where access to the easement area from a public roadway is impractical or would visit damage upon the **GRANTOR**, the **GRANTEE** is permitted to reasonably obtain access to the easement area over adjacent lands of the **GRANTOR**.

**IN WITNESS WHEREOF, GRANTORS** have executed this instrument the day and year first above written.

Thence N87°37'50"W distance of 40.81 feet along said South line;

Thence N02°28'37"E a distance of 3.61 feet;

Thence N04°59'38"W a distance of 77.02 feet to the North line of said Tract;

Thence S87°37'50"E a distance of 40.33 feet along said North line;

Thence S04°59'38"E a distance of 80.67 feet to the Point of Beginning.

Containing 0.07 Acres (3227.46 Square Feet) more or less.

Owners Name: John Green & John & Michelle Nelson  
Address: 906 S Clay  
Easement No. CS2-5

**TEMPORARY EASEMENT**  
**Wastewater – City of Nevada, MO 2016**

**THIS INDENTURE** is made on the 12 day of January, 2016, by and between JOHN C. GREEN JR., A SINGLE PERSON AND JOHN H. NELSON AND MICHELLE P. NELSON, HUSBAND AND WIFE, of Vernon County, Missouri, whose mailing address is 906 SOUTH CLAY, NEVADA MO 64772 hereinafter called **GRANTOR** and the City of Nevada, Missouri, of Vernon County, Missouri, a Missouri municipality of the third class organized under a Home Rule Charter, hereafter called **GRANTEE** whose address is City Hall, 110 S. Ash, Nevada, MO 64772,

**WHEREAS**, an old collector sewer line runs on the West side of the creek which runs north and south through Spring Street Park (and north to Wight Street) from Wight Street to South Street demanded long private service connections for the residences on Clay street to the East, which are substandard or deteriorating and threaten wastewater spills, and

**WHEREAS**, the city wishes to construct a new sewer collector line on the East side of said Creek and connect the same to the private service connections, all at City cost,

**AND WHEREAS**, **GRANTOR** owns land in the 900 block of South Clay Street with one of the private service connections, which is legally described shown on Exhibit A:

**NOW THEREFORE**, in consideration of Ten Dollars and Other Good and Valuable Consideration the receipt and adequacy of which is hereby acknowledged, **GRANTOR** does hereby grant, bargain and sell, convey and confirm unto **GRANTEE** and unto its successors and assigns:

1. A temporary easement to rebuild and connect at city expense such portions of the private service connection as the city concludes appears to be deteriorating, with right of ingress and egress thereto over adjacent land of **GRANTOR** for said purpose and for cleanup, regrading and seeding the surface to return it to original condition as nearly as reasonably feasible.

The temporary easement will expire and terminate at the end of the contractors warranty period of one year after completion of construction during which the contractor will be required to redress and complete cleanup and seeding. After completion of construction and termination of the temporary easement, the new private service line reverts to the owner and will be maintained by owner. The maintenance of the new sewer (collector) line will at all time be the sole responsibility of the City of Nevada.

The temporary Easement for the repair and replacement of portions of the private service line is restricted to 20 feet on either side of Grantor's private service connection line with access thereto across adjacent property of Grantor.

This instrument permits the **GRANTEE** to use the limited and restricted easement area to construct, operate, inspect, maintain, repair, rebuild, replace, remove and patrol a sewer line and essential appurtenances, customary and necessary in connection therewith, subject to the terms and restrictions set forth in this instrument.

Where access to the easement area from a public roadway is impractical or would visit damage upon the **GRANTOR**, the **GRANTEE** is permitted to reasonably obtain access to the easement area over adjacent lands of the **GRANTOR**.

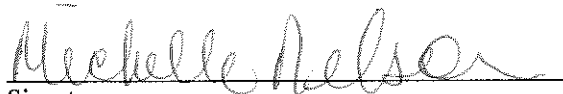

**IN WITNESS WHEREOF, GRANTORS** have executed this instrument the day and year first above written.

**RIGHT-OF-WAY EASEMENT**  
**Wastewater – City of Nevada, MO 2016**

**THIS INDENTURE** is made on the 20<sup>th</sup> day of January 2016, by and between DENNIS CHARLES HIGNUTT of Vernon County, Missouri, whose mailing address is 715 SOUTH CLAY, NEVADA MO 64772 hereinafter called **GRANTOR** and the City of Nevada, Missouri, of Vernon County, Missouri, a Missouri municipality of the third class organized under a Home Rule Charter, hereafter called **GRANTEE** whose address is City Hall, 110 S. Ash, Nevada, MO 64772,

**WHEREAS**, an old collector sewer line runs on the West side of the creek which runs north and south through Spring Street Park (and north to Wight Street) from Wight Street to South Street demanded long private service connections for the residences on Clay street to the East, which are substandard or deteriorating and threaten wastewater spills, and

**WHEREAS**, the city wishes to construct a new sewer collector line on the East side of said Creek and connect the same to the private service connections, all at City cost,

**AND WHEREAS**, **GRANTOR** owns land in the 700 block of South Clay Street with one of the private service connections, which is legally described shown on Exhibit A:

**NOW THEREFORE**, in consideration of Ten Dollars and Other Good and Valuable Consideration the receipt and adequacy of which is hereby acknowledged, **GRANTOR** does hereby grant, bargain and sell, convey and confirm unto **GRANTEE** and unto its successors and assigns:

1. A permanent easement for the new sewer line, hereafter described in Exhibit B, and
2. A temporary construction easement for the new sewer line, hereafter described in Exhibit B, and

3. A temporary easement to rebuild and connect at city expense such portions of the private service connection as the city concludes appears to be deteriorating, with right of ingress and egress thereto over adjacent land of **GRANTOR** for said purpose and for cleanup, regrading and seeding the surface to return it to original condition as nearly as reasonably feasible.

The temporary easement will expire and terminate at the end of the contractors warranty period of one year after completion of construction during which the contractor will be required to redress and complete cleanup and seeding. After completion of construction and termination of the temporary easement, the new private service line reverts to the owner and will be maintained by owner. The maintenance of the new sewer (collector) line will at all time be the sole responsibility of the City of Nevada.

The easements' purpose is restricted to use for sewer transmission lines only. The permanent collector line easement is explicitly located by **GRANTOR** on the **easement description** stated in Exhibit B. The temporary Easement for the repair and replacement of portions of the private service line is restricted to 20 feet on either side of Grantor's private service connection line with access thereto across adjacent property of Grantor without damaging Grantor's improvements, shrubs and/or structures.

This instrument permits the **GRANTEE** to use the limited and restricted easement area to construct, operate, inspect, maintain, repair, rebuild, replace, remove and patrol a sewer line and essential appurtenances, customary and necessary in connection therewith, subject to the terms and restrictions set forth in this instrument.

Where access to the easement area from a public roadway is impractical or would visit damage upon the **GRANTOR**, the **GRANTEE** is permitted to reasonably obtain access to the easement area over adjacent lands of the **GRANTOR**.

**IN WITNESS WHEREOF, GRANTORS** have executed this instrument the day and year first above written.
